Job Description

Post:	Service Manager- Therapy and Community Equipment Services	Job Number:	Y5405D
Service:	Adult Social Care	Post Number:	1026124
Location:	Citywide	Grade:	10

Our values:

We expect everyone who works for us to be committed to our One Coventry values and to share our commitment to becoming a more diverse and inclusive organisation.

Job Purpose:

To provide effective leadership and management of therapy and community equipment services for adults and children in Coventry. This includes short-term assessment and response services and longer-term case management services operating within multi-agency and community settings.

To lead and manage services, ensuring they meet relevant quality standards, are responsive, personalised, outcome focused, promote independence, and enhance choice and control of adult users and carers efficiently and effectively.

To lead and contribute to the overall development of service provision in response to new government initiatives, guidance, and legislation.

Main Duties and Responsibilities:

- Establish, maintain, and update operational policies for services within their area of responsibility and ensure their effective implementation.
- Support Heads of Service in the strategic planning and development of services for adults and ensure that adults and carers participate in the policy and decision-making processes.
- To ensure that assessments are completed, and services provided in accordance with Care Act 2014, Mental Health Act 2007, and other relevant legislation and guidance, and within defined service standards.
- To provide senior level leadership to staff working within the service that positively influences the development and operation of the service.
- To be responsible and accountable for the effective management of staff, ensuring that services are responsive, flexible and to quality standards to meet the needs of people with care and support needs.
- To provide professional leadership and champion excellence in Occupational Therapy practice. To develop and implement Occupational Therapy Quality Standards and an

Assurance Framework, exploring the use of a range of methods such as themed audits and observation of direct practice with accountability for quality and standards of Occupational Therapy work in Adult Social Care

- To promote and develop effective partnership working with a range of partners, particularly NHS commissioning and provider services and other statutory agencies, third sector organisations. Including the development of new service initiatives in order to improve local service delivery and outcomes for adults and carers. To ensure appropriate governance arrangements are in place within multi-agency settings.
- To be the Adult Social Care Occupational Therapy Champion, promoting the role within the Council, with local partners and engaging in local, regional, and national events and policy shaping as appropriate. This will include representing the service and occupational therapy in local and national forums.
- To operate services that promote independence, and which optimise choice and control.
- Establish and maintain, with the delegated responsibilities, operational policies for therapy and community equipment services in conjunction with relevant service managers within the Directorate and other agencies.
- Responsibility for budgets, ensuring the services operate within established financial frameworks, and undertake full monitoring and reviewing processes. Responsibility for negotiating joint funding arrangements and for effectively recharging other agencies. Implementing information systems and the development and maintenance of budgetary control reporting systems, ensuring that appropriate records are kept to audit standards.
- Responsible for the cost-effective use of available resources to optimise service delivery and development.
- Operate within a Performance Management Framework. Responsibility for operational planning and review processes. Working to the achievement of specified performance standards for the service, monitoring and reviewing qualitative and quantitative evidence of achievement and working to performance targets.
- Responsible for the implementation of effective communication strategies and working relationships with people with care and support needs, internal and external users, and stakeholders, including third sector organisations.
- Responsible for the appropriate representation and promotion of services in the public and health and social care arena.
- Responsibility for promoting user involvement within the service e.g., providing accessible information to users about services available and gaining the views of users via satisfaction surveys.
- Utilise the resources available to provide a flexible range of services and individual tailored support plans which promote equality and are sensitive to the needs of individual adults (particularly those from minority ethnic communities and with special needs).
- Direct and advise staff on the interpretation of their role and practice in accordance with their position and level of accountability, including advice on prioritisation, risk management and to delegate as appropriate to staff in accordance with their responsibilities.

- Responsibility for deployment of a range of staff from all backgrounds necessary to ensure the effective and efficient operation of their teams. Responsible for the development of recruitment and retention strategies for the service.
- Accountable for managers, regarding the management of their teams, providing professional supervision and support to the managers and, if appropriate, other staff in accordance with the supervision policy and associated guidance. This will involve the active monitoring of ~~sup~~supervision and case files and maintaining an overview of computer records.
- Overall responsibility for the recruitment and development of the workforce including implementing and maintaining systems for staff recruitment, induction, probation, supervision, progression, training, appraisal, discipline, grievance, etc, within guidelines/procedures.
- Ensure effective workforce planning in place, that includes ensuring the team has the right skill mix, achieved by robust recruitment and retention and developing a range of progression opportunities to support career development and continuing professional development.
