About Coventry City Council

We expect everyone who works for us to be committed to our One Coventry values and to share our commitment to becoming a more diverse and inclusive organisation:

Open and fair: We are open, fair and transparent.

Nurture and develop: We encourage a culture where everyone is supported to do and be the best they can be.

Engage and empower: We engage with our residents and empower our employees to enable them to do the right thing.

Create and innovate: We embrace new ways of working to continuously improve the services we offer.

Own and be accountable: We work together to make the right decisions and deliver the best services for our residents.

Value and respect: We put diversity and inclusion at the heart of all we do.

About the Service your team will provide

As Lead Accountant, you will spearhead the provision of strategic financial support and advice, ensuring robust financial planning and management within the Council. Your role is pivotal in guiding service leads through the complexities of public finance, fostering a culture of efficiency and value for money. You will lead a team, driving the delivery of professional standard financial services, and make key financial decisions projects and commercial ventures. Your expertise will underpin the Council's commitment to fiscal responsibility and sustainable growth.

Main Duties & Key Accountabilities

Leading a team to ensure motivation, development, and performance management, including identifying and delivering training needs within finance and across the organisation

Representing Financial Management in various forums, including directorate teams, political meetings, and negotiations with third parties. Deputise for Finance Manager as required.
