

Coventry City Council

Job Description

Job Title:	Systems, Management Information and Project Analyst	Job Number:	Y5680D
Services:	Human Resources	Grade:	G5
Location:	Friargate		

Our values:

We expect everyone who works for us to be committed to our One Coventry values and to share our commitment to becoming a more diverse and inclusive organisation.

Job Purpose:

Work as part of a team to drive forward the design and implementation of new digital services and systems in line with the organisation's Digital Strategy and People Plan.

Contribute to the development of workforce analytics by producing reports and analyses to support strategic and operational decision making, service performance management and the completion of statutory and non-statutory returns.

Undertake a range of system development, configuration and administration functions for the HR and OD systems in operation to ensure the best user experience and maximisation of system functionality.

Main Duties and Responsibilities:

1. Undertake a range of business process design, system development, configuration, testing and implementation tasks for new digital initiatives and projects.
2. Undertake a range of development and administration tasks for the operational systems and reporting tools supported by the HR Digital Team.
3. Provide assistance to users, via Microsoft Teams, or face to face when in the office, and by the creation and update of guidance notes using a range of media, both during rollouts and when systems are operational.
4. Produce a range of management information reports and workforce analytics to support and inform decision making, assess service performance and complete statutory and non-statutory returns. This includes the development of standard reports and analyses which can be re-run by users via self-service.

Coventry City Council

5. Contribute to the development and maintenance of information resources for the HR Digital Team, including operating procedures and user tools such as Frequently Asked Questions, intranet pages and electronic request management tools.
6. Ensure a high standard of customer care and confidentiality at all times, ensuring compliance with the Data Protection Act and local standards and protocols.

Any other duties and responsibilities within the range of the salary grade.

The post holder must comply with Coventry City Council's health and safety policy and in particular is required:-

- To take reasonable care for their own health and safety at work and of those who may be affected by their actions or by their omissions
- To cooperate with their line manager and senior management, to work safely, to comply with health and safety instructions and information and undertake appropriate health and safety training as required
- Not to intentionally or recklessly interfere with or misuse anything provided in the interests of health, safety and welfare
- To report to their manager any health and safety concerns, hazardous condition or defect in the health and safety arrangements.

Any further Health and Safety responsibilities relevant to this post will be set out in the offer letter and Written Statement of Particulars

The post holder must comply with the Interagency procedures of the Safeguarding Boards and Coventry City Council's policies for safeguarding children and safeguarding adults and in particular is required:-

- To ensure they are aware of the signs that may suggest a child or vulnerable adult is being abused or neglected
- To report to their manager, or other appropriate manager, any concerns they may have that suggest that a child or vulnerable adult may be being abused or neglected immediately

Any further Safeguarding Board responsibilities relevant to this post will be set out in the offer letter and Written Statement of Particulars

Post holders will be accountable for carrying out all duties and responsibilities with due regard to the City Council's Workforce Diversity and Inclusion Policy.

Duties which include processing of any personal data must be undertaken within the corporate data protection guidelines.
