

Job Description and Person Specification

Class 2 Lorry Driver

Job Details	
Grade	GRD5
Service	Environmental Services
Location	Whitley Depot
Job Evaluation Code	A5801

About Coventry City Council

We expect everyone who works for us to be committed to our One Coventry values and to share our commitment to becoming a more diverse and inclusive organisation:

Open and fair: We are open, fair and transparent.

Nurture and develop: We encourage a culture where everyone is supported to do and be the best they can be.

Engage and empower: We engage with our residents and empower our employees to enable them to do the right thing.

Create and innovate: We embrace new ways of working to continuously improve the services we offer.

Own and be accountable: We work together to make the right decisions and deliver the best services for our residents.

Value and respect: We put diversity and inclusion at the heart of all we do.

Job Purpose

Collaborate with supervisors to provide safe, high-quality, customer-centred services within a specific driving-related area.

Operate authorised vehicles, post-training, across Coventry and nearby regions.

Oversee team activities, ensuring tasks are performed safely and responsibly, adhering to laws and council policies.

Undertake duties like waste collection, recycling, highway sweeping, drainage, and maintaining health and safety standards.

Handle assigned vehicles, holding a valid licence and CPC for the designated category.

Remain updated on driving regulations to maintain continuous legal compliance.

Main Duties & Key Accountabilities

Conducting vehicle inspections and routine upkeep, including cleaning assigned vehicles and reporting defects to Fleet, while completing required documentation digitally or on paper.
Maintaining and fostering productive relationships with the public, customers, and external organisations, addressing inquiries from residents politely and courteously at all times.
Integrating into the induction programme by guiding, mentoring, and evaluating all aspects of new drivers' ability to perform their responsibilities effectively.
Ensuring the safe handling, storage, and return of all keys and fobs required for completing assigned responsibilities.
Ensuring correct use of reversing assistants
Liaising with the supervisor ensures reporting of all non-compliance issues effectively and promptly for appropriate resolution and follow-up actions.
Ensuring the maximum vehicle weights are not exceeded
Reporting accidents and near misses in alignment with City Council procedures ensures compliance with established safety protocols and organisational guidelines.
Monitoring drivers' working hours using either domestic driving regulations or an onboard tachograph system ensures compliance and operational efficiency.
Checking that all work allocated to the round is completed
Understanding and knowledge of disposal sites, complying with all site rules
Undergoing necessary training ensures all tasks are completed in compliance with established Safe Systems of Work protocols.
Performing additional tasks and responsibilities that align with the scope of the assigned salary grade.
