About Coventry City Council

Who we are: At Coventry City Council we are dedicated to making a positive difference to the services we deliver to the diverse citizens of Coventry. The work we do improves people's lives – from helping them into work to providing clean and green places to live, to keeping people safe and protected.

As a Coventry City Council employee, you have our ongoing commitment to your growth and development with opportunities to work across multiple service areas including customer contact, public health prevention and education and skills, adults and children's services and provide support for the most vulnerable.

Our aim is simple – to be globally connected, locally committed, deliver our priorities with fewer resources whilst effectively managing our performance and measuring our progress.

Our Values: We expect everyone who works for us to be committed to our One Coventry values and to share our commitment to becoming a more diverse and inclusive organisation:

About the Service your team will provide

Purpose of the role

The Emergency Services Unit is the security arm of Coventry City Council. The Service operates 24/7 365 days a year. Our services included responding to Fire, Intruder, and Panic Alarms. The team also provides security services such as patrolling, guarding, and keyholding services to our Schools and other Council departments. We also support the Council's response to emergencies in the city.

The Services monitors a telecare service that involves monitoring the safety of vulnerable residents in the City from their homes. The service is also responsible for monitoring the Public Surveillance CCTV system in the City Centre and various CCTV systems operating in Coventry.

Partnership working is a big part of our service. We work with colleagues with West Midlands Police, the Local Business Improvement District, Fire, and ambulance service to keep our city safe.
