Job Description

Job Title:	Energy Project Manager (ERDF)	Job Number:	A5583
Directorate:	Place	Post Number:	1036294
Service:	Facilities Management	Grade:	8
Location:	Friargate (Flexible)		

Job Purpose:

European Union
European Regional
Development Fund

The Council has been successful in securing ERDF grant funding to deliver a large number of roof-top Solar photovoltaic systems to assist in the Council's transition to a low-carbon future as part of its wider Climate Change agenda. The delivery of this project will make a significant contribution to the amount of locally deployed renewable energy within Coventry.

The Energy Project Officer will support the Council's Facilities Management department in managing the day-to-day delivery of this project and the associated requirements of ERDF supported projects. The role holder will be responsible for managing the procured delivery contractor, ensuring that project programme keeps within the proposed schedule and that all ERDF funding conditions are adhered to, grant claims, reports and submissions are submitted on time.

Main Duties and Responsibilities:

- To manage the delivery of the ERDF funded Solar PV Self-Supply project across the Coventry City Council Estate.
- To be the main point of contact for the project, responsible for enabling effective delivery between all stakeholders in the project including appointed Contractors, Facilities Management, Procurement and Finance Departments, the ERDF Contracting Authority and Site Users.
- To ensure that the proposed final Solar PV schemes meet the expected outcomes of the ERDF grant funding and that are a technical fit to the council's wider strategic objectives.
- To propose modifications and/or additions to the project scope that can lead to exceeding the projected outcomes from the use of the available funding.
- To ensure that all activities within the project meet the requirements of the ERDF grant terms and conditions.
- To be responsible for the collection of relevant information and undertake the administrative and organisational tasks essential to the successful delivery and claiming of the awarded ERDF grant.

- To support the potential integration of this ERDF funded project into wider regional innovation projects on energy infrastructure that are being undertaken in the West Midlands.
- Pro-actively develop further opportunities for additional energy efficiency project proposals that can complement the existing project towards the Council's longer-term objectives.
- Any other duties and responsibilities within the range of the salary grade.

The post holder must comply with Coventry City Council's health and safety policy and in particular is required:-

- To take reasonable care for their own health and safety at work and of those who may be affected by their actions or by their omissions
- To cooperate with their line manager and senior management, to work safely, to comply with health and safety instructions and information and undertake appropriate health and safety training as required
- Not to intentionally or recklessly interfere with or misuse anything provided in the interests of health, safety and welfare
- To report to their manager any health and safety concerns, hazardous condition or defect in the health and safety arrangements.

Any further Health and Safety responsibilities relevant to this post will be set out in the offer letter and Written Statement of Particulars

The post holder must comply with the Interagency procedures of the Safeguarding Boards and Coventry City Council's policies for safeguarding children and safeguarding adults and in particular is required:-

- To ensure they are aware of the signs that may suggest a child or vulnerable adult is being abused or neglected
- To report to their manager, or other appropriate manager, any concerns they may have that suggest that a child or vulnerable adult may be being abused or neglected immediately

Any further Safeguarding Board responsibilities relevant to this post will be set out in the offer letter and Written Statement of Particulars

Post holders will be accountable for carrying out all duties and responsibilities with due regard to the City Council's Equality, Diversity and Inclusion Policy.

Duties which include processing of any personal data must be undertaken within the corporate data protection guidelines.
