About the Service your team will provide

To source suitable and cost-effective accommodation to meet the needs of the service for temporary accommodation for homeless households.

To work closely with private sector landlords to negotiate and secure suitable, affordable accommodation to be used to discharge duty and to meet the requirements for temporary accommodation.

To develop partnerships with internal and external stakeholders and providers to take full advantage of joint working opportunities to deliver accommodation.

To be a single point of contact for landlords and promote the service with landlords, agents, and other providers as part of the team.

To visit households where there is a threat of homelessness and to provide a responsive, solution-focused visiting service that assists the Council's housing and homeless service with investigations of homelessness applications, determining the circumstances of housing applicants and, via intervention and mediation, minimise the number of households that are made homeless.

To visit households in temporary accommodation to ensure occupancy, resolve ASB issues, identify where occupiers require additional support, to move households out of or between temporary accommodation and to work closely with private sector landlords to negotiate tenants remaining in their homes.

To have a one Coventry approach to problem solving and collaboration between different services, organisations and work towards the services aim of having no household in bed and breakfast accommodation.

Main Duties & Key Accountabilities

Core Knowledge

1. To work closely with landlords and providers to secure properties to meet the housing needs of the households under the Housing and Homelessness duties, whether for temporary or permanent accommodation.
2. Negotiate with Landlords regarding the condition of the property. If ready to let, to undertake the inspection in line with the required Coventry City Council standard. The prescribed inspection regime must be followed as a guide to this process. Training will be provided if required.
3. To confirm landlords have provided all the required documentation ahead of entering into the tenancy agreement with the household. This will include the receipting of appropriate and in date gas, electrical and energy performance certificates.

4. To maintain a log of the properties used on IT systems, especially where financial assistance has been provided by the Council to track the type of accommodation, usage for reporting. Training on systems will be provided if required.
5. Negotiate rental values with landlords to reduce the pressure between the housing benefits used to meet temporary accommodation costs and the amount the authority can claim back as housing subsidy. For private rented accommodation, secure affordable rents close to local housing allowance limits.
6. Where financial assistance has been provided to support a household to secure a tenancy, to continue to engage with the household to ensure actions are in place to support individuals in maintaining the tenancy going forward without any further financial intervention.
7. To maintain a record of the property requirements for temporary and permanent accommodation and work to secure properties to meet these needs.
8. Working closely with the officers in Housing and homelessness and Housing Benefits, to utilise the financial resources and assistance available through the Prevention Pot and other funding sources e.g. Housing Benefit application, Discretionary Housing Payments, to negotiate contracts with the private rented sector. To monitor claims and assist customers getting Housing Benefit claims into payment where required.
9. To invoice customers and monitor payments in line with Coventry City Councils charging policy.
10. To work closely with other teams in the Council to understand wider property requirements from other service areas and to learn lessons/ share best practice in relation to engagement with landlords and other property agents.
11. To work closely with the local authority liaison officers in the Migration Service to streamline the process for securing accommodation when a household has been granted leave to remain and has been given notice on their National Asylum Support Service accommodation.
12. To lead on landlord liaison working and focus groups to build positive working relationships with private rented sector and seek out creative opportunities for joint working.
13. Act as an intermediary between landlord and tenant if disputes arise to try and reach a settlement, enabling the tenant to remain in the property.
14. To lead on the management and monitoring of the private rented sector schemes and property leasing schemes once developed and in place. To ensure the appropriate contracts are in place and initiate payments as required in line with the relevant scheme.
15. Input and retrieve data from the service areas designated ICT systems to assist with the collation, monitoring, and reporting of statistical information for the purposes of performance management, returns to Central Government and information for other agencies including those internal to the organisation as appropriate.

16. To visit households where there is a threat of homelessness, undertake follow-up visits and casework where required, ensuring that all cases are actively managed and monitored for as long as the officer is continuing to work with the applicant.
 17. To visit households in temporary accommodation to ensure occupancy, resolve ASB issues, identify where occupiers require additional support, to move households out of or between temporary accommodation, to serve notices/letters where appropriate and to work closely with private sector landlords to negotiate tenants remaining in their homes.
 18. Provide applicants with comprehensive advice and information on the full range of housing options available to them, taking into account their needs and aspirations, their eligibility for assistance under the relevant housing or homeless legislation, their priority on the housing register and their ability to sustain private rented accommodation.
 19. To undertake viewings and signups to properties either, Temporary or Private sector, to conduct pre letting inspections.
