

Spon Gate Primary School

Job Description

Class Teacher – TMS

Requirements of the post

- To fulfil the Conditions of Employment for Teachers which are listed in the current School Teachers Pay and Conditions document

Main duties

- To establish a purposeful learning environment, where opportunities to maximise learning and teaching are promoted
- To teach clearly structured lessons or sequences of work which interest and motivate the children and in which:
 - Pupils' learning needs and abilities are taken into account
 - Learning objectives are made clear to pupils
 - Interactive teaching methods and collaborative group work are employed
 - Active and independent learning is promoted that enables pupils to think for themselves and plan and manage their own learning
- To follow agreed systems of behaviour management, encouraging and rewarding good behaviour, whilst using agreed sanctions to challenge inappropriate behaviour
- To set challenging learning and teaching objectives which are relevant to, and based upon, knowledge of pupils, taking account of:
 - Pupils' learning needs and abilities
 - Evidence of their past and current achievement
 - The expected standards for pupils of the relevant age
- To make appropriate use of a range of monitoring and assessment strategies, including APP, to evaluate pupils' progress towards planned learning objectives, and use this information to inform your own planning and teaching
- To monitor and assess as you teach, giving immediate and constructive feedback which supports children as they learn
- To use ICT effectively in your teaching
- To demonstrate a commitment to professional development by evaluating your own practice, learning from the effective practice of others, and calling on the support and guidance of colleagues
