About Coventry City Council

Who we are: At Coventry City Council we are dedicated to making a positive difference to the services we deliver to the diverse citizens of Coventry. The work we do improves people's lives – from helping them into work to providing clean and green places to live, to keeping people safe and protected.

As a Coventry City Council employee, you have our ongoing commitment to your growth and development with opportunities to work across multiple service areas including customer contact, public health prevention and education and skills, adults and children's services and provide support for the most vulnerable.

Our aim is simple – to be globally connected, locally committed, deliver our priorities with fewer resources whilst effectively managing our performance and measuring our progress.

Our Values: We expect everyone who works for us to be committed to our One Coventry values and to share our commitment to becoming a more diverse and inclusive organisation:

About the Service your team will provide

Purpose of the role / Output

- Under the general direction of the Street Enforcement Manager, to support management in the delivery of services in accordance with Council policies and priorities, in particular:
- To undertake a caseload of work across the full range of functions delivered by the Street Enforcement Team, working in partnership with communities and other agencies.
- To implement and enforce legislation within the Street Enforcement Team's remit and contribute to service improvement and development of the team.

Main Duties & Key Accountabilities

Core Knowledge

1. Organise a balanced programme of work, prioritising tasks as necessary to ensure that the needs of the service are met.
2. Comply with relevant customer care standards, e.g., response times for service requests.
3. Identify appropriate courses of action following response to service requests/cases, ensuring that all relevant legislation is considered
4. Interpret technical/legal information, plans and legislation (including case law).
5. Authorise and supervise work in default, including drafting schedules of work, site supervision and monitoring of payments.
6. Support management through identifying, implementing, and reviewing policies and procedures and contributing to the service planning process.
7. Fully contribute to the service objectives of Streetscene and Greenspace through team working and support of all projects and service improvement initiatives.

8. Foster and develop partnership working with national, local public, private and third sector organisations in order to effectively deliver environmental services.

9. Undertake enforcement of legislation, including:

- Gathering evidence for prosecution/legal action in accordance with the Section enforcement policy and procedures, including interviewing offenders, obtaining witness statements and making all necessary enquiries. .
- Serving and enforcing statutory notices, including fixed penalty notices.
- Preparing prosecution papers/reports, attending briefings and committees as and when required and giving evidence in court
- Enforced sales, management orders and compulsory purchase orders.

10. Develop and maintain specialist knowledge across the full suite of environmental enforcement powers. This includes, but not exclusively, the following areas: Waste management and refuse, fly posting, littering, nuisance vehicles sales, drainage, housing, and noise nuisance.

11. To manage and co-ordinate the City Councils response to unauthorised gypsy and traveller encampments and caravan site licence conditions.

12. Take responsibility in respect of drainage as part of the City Council Emergency Control Team and the Outbreak Control Team under the direction of the Emergency Planning Officer or other Senior Officer.

13. Support and cover the work of colleagues throughout the Environmental Service and carry out any other duties required to meet the demands of the service (commensurate with the knowledge/skills of the post holder and grading of the post).

14. Deputise for Street Enforcement Manager as and when required.

15. Undertake the specific operational duties associated with the team including:

- Undertaking investigations of complaints ensuring that all relevant legislation is being complied with.
- Preparing reports for prosecution, departmental management teams and external bodies as required.
- Undertaking inspections of premises and produce appropriate schedules of work to ensure compliance with appropriate legislation.
- Advising the public, traders, outside agencies, elected members, Members of Parliament, and other Council departments on service issues.
- Undertake specific project work and have special responsibilities for areas of service provision.
- Contribute to others development by sharing and demonstrating skills, knowledge, best practice etc.
- Representing the service area at public meetings, forums etc
- Giving talks and lectures on the services provided.

- Plan and implement surveillance exercises, complying in all respects with relevant legislation
- 16. Work outside of normal office hours on a rota and attend events outside the city as and when required
- 17. Any other duties and responsibilities within the range of the salary grade.
