

“The two schools work together to make each other the best they can be”

Welcome to your first step in finding out more about our wonderful school which is part of the Affinity Federation.

The Affinity Federation is fully committed to meeting the needs of both Whitmore Park and Willenhall Community Primary School communities as being the Schools of Choice in their area. We are ambitious to grow the expertise of our staff teams, investing in and developing their professional knowledge and skills so that we are the Employer of Choice.

Working collaboratively across the Federation, we endeavor to ensure each child access the best possible experiences and opportunities to achieve their full potential and secure skills for life-long learning. We want to continue our strong collaboration to support school improvement and impact positively on children's outcomes and achievement. We are responsive to the challenges of the local, national and global agenda – we will remain “ahead of the curve” and forge a pathway to excellence.

We are passionate about our schools, and want the best possible education for our children. We are proud of our leadership team as they share the same passion and drive and work relentlessly to improve standards and attainment across the schools.

Willenhall Community Primary School is a two-form entry school which was built in 2005 on the old school site of Willenhall Wood. The building is on a large site with extensive grounds which includes a newly refurbished Multi Use Games Area, with artificial surface, an outdoor gym and areas marked for football and athletics track. We promote inclusion for all our pupils, value our diversity and celebrate the uniqueness of every child.

Our school serves and supports our local community which comprises a diverse range of ethnic and cultural backgrounds, including Christian, Russian, Bulgarian, French, Arabic, Asian, Muslim. There is currently 42% of our children eligible for Pupil Premium, 40% eligible for Free School Meals and 28% English as an additional Language.

We want our children to thrive from the moment they enter our school to the time they need to leave us.

Thank you for your interest in our school and we look forward to meeting you

Mrs Deborah Austin

Chair Of Governors
