About Coventry City Council

Who we are: At Coventry City Council we are dedicated to making a positive difference to the services we deliver to the diverse citizens of Coventry. The work we do improves people's lives – from helping them into work to providing clean and green places to live, to keeping people safe and protected.

As a Coventry City Council employee, you have our ongoing commitment to your growth and development with opportunities to work across multiple service areas including customer contact, public health prevention and education and skills, adults and children's services and provide support for the most vulnerable.

Our aim is simple – to be globally connected, locally committed, deliver our priorities with fewer resources whilst effectively managing our performance and measuring our progress.

Our Values: We expect everyone who works for us to be committed to our One Coventry values and to share our commitment to becoming a more diverse and inclusive organisation:

About the Service your team will provide

Our values:

We expect everyone who works for us to be committed to our One Coventry Values and to share our pledge to becoming a more Equal, diverse, and inclusive organisation.

The Edge of Care TIRs Team Leader will possess advanced social care knowledge, skills and leadership related to improving outcomes for children in need of care and support and protection, prioritising those at risk of experiencing trauma, entering the looked after sector and those leaving care by reunifying them with their birth families. As a member of Children's Services Management team, the TIRs Team Leader will take responsibility for the management and delivery of an effective and efficient trauma informed service for children, young people, and their families experiencing trauma.

To assist the Operational Lead, Team Manager, Senior Practitioner and Senior Team with the delivery of a professional service. Adhere to the Social Work England Professional Standards. To provide support to children, young people (8 – 17) and their families through the management and the delivery of intensive support services to prevent young people at risk of entering the looked after sector and remain in the care of their families where it is safe and appropriate to do so. Will consistently demonstrate a high level of competence and confidence in the full range of social care tasks with children and their families, particularly in relation to preventing children and young people from entering the care system, child protection, court proceedings, work with reunifying looked after children back home to their birth families, and partnership working.

The ethos of the service will be child/young person centred and based upon a commitment to achieve working partnerships with them and their families or carers and to work in close collaboration with colleagues from other settings and agencies.

The style of service will aim to support parents / carers in the exercise of their parental responsibilities, encourage children and young persons to develop a mature understanding of their situation and to learn to exercise personal responsibility and choice in their lives.

To provide intensive support to young people and their families to overcome barriers which may be impacting on their health, social and emotional and educational needs to improve their outcomes and reach their full potential whilst remaining in their family setting.

Specific job purposes are:

- To ensure a whole family approach is adopted, from assessment planning and intervention through to aftercare methodologies.
- Expected to model One Coventry Core Social Care Values, best practice and a strong commitment to the continuous development of Trauma Informed Services.
- To maintain Signs of Safety as the model of Social Care practice
- To be responsible for the management of a team in accordance with Coventry City Councils HR policies and procedures, including the recruitment of staff, provide line management to a range of workers within the service.

- Expected to achieve high practice standards and meet performance targets set by senior management within their workload and from the staff they supervise.
