Working Together to Achieve Excellence

WHO ARE:

WE

The Sidney Stringer Multi Academy Trust (SSMAT) is a network of five diverse schools educating over 3,500 pupils and employing more than 600 dedicated teaching and support staff. Based in Coventry, England, the Trust encompasses:

- **Sidney Stringer Academy:** The lead school is located in Hillfields, offering secondary education for students aged 11-18.
- **Radford Primary Academy:** Providing a nurturing primary education for young minds.
- **Ernesford Grange Community Academy:** Serving the community with quality secondary education.
- **Riverbank Academy:** A broad spectrum school supporting students with various needs.
- **Sidney Stringer Primary Academy:** Located opposite SSA, provides an all-through provision from reception to 11 years old through to the secondary school.

Collaboration is at the heart of the SSMAT, with all schools working closely together to:

- Share best practices and resources.
- Offer a seamless educational journey across different stages.
- Support the professional development of staff.
- Ensure all students receive an outstanding education, reaching their full potential.

With this post, flexibility is required to work out of any MAT site or other location to meet the needs of the organisation.

We are a growing Trust and have been approved as sponsors for **Woodfield Special School** which will join the Trust in the next 12 months. We have been working closely with the school, since February 2021, and during this time it has gone from Ofsted Inadequate (March 2020) to Good in all areas (November 2023). It also involves relocating the school onto the Old Woodland Boys' School. This will provide us with an excellent opportunity to expand our Community links, deliver our own Alternative Provision and provide a first class education for all these young people.

CEO/ HEADTEACHER MESSAGE:

“This is an exciting time for our MAT and we are constantly looking at how we can work together for the benefit of all the children in our schools.”

TAKING YOUR CAREER TO THE NEXT LEVEL:

“The Trust is forward thinking and if you join our team, your professional development will be a priority. We are looking for someone who has the experience and skills to take us to the next level.

“Sidney Stringer Multi Academy Trust is a very successful group of schools. The Trust is made up of two secondary schools, two primary schools, and one special school, with another special school joining soon. All schools are Good or better and Sidney Stringer Academy and Sidney Stringer Primary are the most popular secondary and primary schools in the city and all schools are full with many year groups having a waiting list.

We are well respected within the city and our Trust leads the Coventry SCITT (School-Centred Initial Teacher Training) where we train the next generation of teachers, for us and also the wider city/region.

Our vision is 'working together to achieve excellence for all' and we do this by working closely as a team of leaders and groups of schools to share good practice and expertise. We try very hard to not do things for the sake of it, but we do things that make a difference.

If you join our team then we will expect you to work hard for the children and in return we, as a Trust, will work hard for you.”
