About Coventry City Council

Who we are: At Coventry City Council we are dedicated to making a positive difference to the services we deliver to the diverse citizens of Coventry. The work we do improves people's lives – from helping them into work to providing clean and green places to live, to keeping people safe and protected.

As a Coventry City Council employee, you have our ongoing commitment to your growth and development with opportunities to work across multiple service areas including customer contact, public health prevention and education and skills, adults and children's services and provide support for the most vulnerable.

Our aim is simple – to be globally connected, locally committed, deliver our priorities with fewer resources whilst effectively managing our performance and measuring our progress.

Our Values: We expect everyone who works for us to be committed to our One Coventry values and to share our commitment to becoming a more diverse and inclusive organisation:

About the Service your team will provide

To contribute to the development and the delivery of Science teaching across the two pupil referral units of InspirED Pathways: Whitmore Park Annexe (a small transition unit for pupils recovering from injury or illness (mental or physical), Wards 14-16 (University Hospital Coventry and Warwickshire) and on Home Tuition as required, while supporting a whole-service, team approach to the raising of standards of achievement and attainment of all pupils.

This post will involve travelling across sites and working in pupils' own homes.

Main Duties & Key Accountabilities

Core Knowledge

- To deliver the Science KS3 and KS4 curriculum to given groups or individual children within the Service
- To ensure the appropriate GCSE and/or other accredited courses are selected and delivered, in order to meet the individual learning needs of all pupils
- To maximise the use of data to ensure appropriate assessment, target setting, tracking and reporting measures are in place
- To apply the principles of 'Quality First' and 'Adaptive' teaching in the classroom and ensure that pupils' social and emotional, as well as academic, needs are met
- To support the service's personal development priorities by fulfilling the role of a 'Lead Tutor'
- To take responsibility for putting in place interventions to ensure pupils make expected or better progress from initial baseline assessment and/or FFT predictions
- To ensure that appropriate resources and equipment are in place which are kept and maintained to expected standards
- To ensure that Safeguarding procedures are observed and adhered to
- To work effectively as a team member on whole-service initiatives and developments
- To engage in appropriate CPD to ensure knowledge and understanding of local and national developments and initiatives are kept up to date within Science teaching and in education in general
- To support and arrange opportunities for enrichment and engagement through visits, trips and events
- Any other duties and responsibilities within the range of the salary grade.
