Create and innovate: We embrace new ways of working to continuously improve the services we offer. Own and be accountable: We work together to make the right decisions and deliver the best services for our residents. Value and respect: We put diversity and inclusion at the heart of all we do.

Job Purpose
To provide a high standard of support and enablement, ensuring individuals' needs are met through promoting independence and personalised approaches in a safe, respectful and dignified manner; giving people choice and control over the services they are using and ensuring the best possible outcomes for people who use Adult Social Care Services. To deliver all support in compliance with relevant social care legislation, the Council's values, policies and practices and the CQC Essential Standards for Quality and Safety.

Main Duties & Key Accountabilities
Ensure the rights of people who access our services are promoted at all times, ensuring that the principles of choice, control, dignity, respect involvement and empowerment are maintained
Ensure that the emotional wellbeing of the people we support is respected in all aspects of service delivery, wherever possible enabling them to assert responsibility for their own lives and obtain and act in accordance with the consent of the person in regard to their care and treatment.
Help in creating opportunities and choices, so that each individual can achieve their desired outcomes and has appropriate control over the decision-making process about the service they may receive.
Promote the physical, emotional, social and intellectual wellbeing of the people we support including supporting people to access local facilities and opportunities.
Meet the practical and personal care and support needs of the people who access the service (this may include practical support with their dietary and nutritional needs and hands on care tasks where applicable).
Assist and support with the administration of prescribed medicines in line with departmental policy and guidance complying with local protocols or instructions which ensure that a proper medication administration procedure is adhered to.
Ensure Health and Safety requirements, including Risk Assessments are adhered to with due regard to the people we support, staff, visitors and the workplace environment including the expectation of maintaining appropriate standards of cleanliness and hygiene.
Assist in the day-to-day record keeping on matters pertaining to the people we support and alert the appropriate person of any developments causing concern. Work supportively with other professionals, colleagues, carers, relatives or friends in the interest of the wellbeing of the people we support.
Make a positive contribution to and work constructively within the team, attending team meetings as appropriate.
Attend appropriate training courses as set out in the training profile for the job role and to take responsibility for your own ongoing personal development.
Participate in the supervision and competency-based appraisal process.
Be able to work all shifts required by local rota pattern, which may include working regular evenings, weekends and Public Holidays.
Work in other appropriate locations across the city as needed.
