Job Purpose
<p>Under the general direction of the Customer Liaison and Support Officer or Licensing Team Leader:</p> <ol style="list-style-type: none"> <li>1. Deliver a high quality regulatory customer service in a way that contributes to the achievement of the City Council's vision and objectives for a growing and sustainable city.</li> </ol>

Main Duties & Key Accountabilities
Deal with enquiries, through varying mediums, ensuring that where possible they are resolved at first contact, or that messages are passed on to the relevant person for action; seeking to resolve queries and using judgement as to when to pass on more complex issues.
Undertake data input and document production using the range of systems in use within the Regulation service.
Maintain computerised systems, retrieving information as requested, and ensuring that information is kept up to date; to include creation of databases and spreadsheets as appropriate and provision of information and reports as required.
Responsible for maintaining supplies of stationery and other office consumables within the Regulatory service.
Place and receipt orders, and raise invoices as appropriate
Assist with the development of IT systems and workflow processes within the regulatory service, including create, review, revise, develop, improve and maintain systems and procedures for the service to improve and respond to change.
Ensure data is handled in line with Data Protection Regulations.
Maintain up to date knowledge of corporate systems and standards and pass on information to other team members
Assist with the allocation and prioritisation of work within the regulatory team and undertake quality checks in relation to the work produced by the team
Be proficient in the use of IT systems to ensure appropriate records and files are maintained.
Contribute actively to the achievement of a good customer focused approach to service delivery within the section, participating in the development and maintenance of quality systems to ensure continuous monitoring and improvement to service quality and customer satisfaction for the service provider.
Support with the training of technical support officers within the team to ensure office systems, procedures and health and safety requirements are met.
Be able to work on own initiative and as part of a team, demonstrating flexibility in the approach to work as required by the service
Any other duties and responsibilities within the range of the salary grade
