Coventry City Council Values

We expect everyone who works for us to be committed to our One Coventry values and to share our commitment to becoming a more diverse and inclusive organisation:

Open and fair: We are open, fair and transparent.

Nurture and develop: We encourage a culture where everyone is supported to do and be the best they can be.

Engage and empower: We engage with our residents and empower our employees to enable them to do the right thing.

Create and innovate: We embrace new ways of working to continuously improve the services we offer.

Own and be accountable: We work together to make the right decisions and deliver the best services for our residents.

Value and respect: We put diversity and inclusion at the heart of all we do.

Job Purpose

Under the general direction of the Waste Education Officer, support the delivery of projects and initiatives to support the delivery of a high quality, safe, effective and customer focused domestic waste collection service.

To raise awareness of waste issues, improve participation in recycling services and improve the performance and management of waste services.
