Our Trust

Thank you for your interest in joining The Diocese of Coventry Multi Academy Trust, we are delighted to provide you with an application pack. It is hoped that the information provided will be of interest and will help you to begin your journey with us.

The Diocese of Coventry Multi Academy Trust was incorporated in 2013 and is one of over 2,700 Multi Academy Trusts in England. Highlighted as a leading diocesan Trust and a model of good practice by the Department for Education in 2016, the trust is now home to eighteen academies spread across the Diocese of Coventry. This scale makes us one of the top 150 largest Multi Academy Trusts in the country.

Our vision, "together, pursuing life in all its fullness", is based on John 10:10 and reflects the Church of England's vision for education. You will see this come to life in all of our academies every day. We offer a vision of human flourishing for all, one that embraces excellence and academic rigour, but sets them in a wider framework. We offer opportunities for children to realise their God given potential and flourish.

Our strategy focuses on five core aims. Among these are the desire to offer an **excellent education** and to be an **employer of choice**. To work with us, you must aspire to be an outstanding colleague, be prepared to go the extra mile and be comfortable with high levels of accountability for the progress of over 4,000 children. You must be willing to share and learn. Above all else, you must like young people and aspire to make them outstanding citizens.

In return, we offer excellent working conditions, first class professional development for ambitious people, genuine career development and opportunities for growth. All of our teachers are offered membership of the Teachers Pensions Scheme and all support staff are offered membership of the Local Government Pension Scheme. In addition, there is a superb package of employment benefits, including access to the Cycle to Work Scheme, membership offers and retail discounts.

We are proud to tell people that an academy has never dropped an Ofsted grade under our management and our most recent SIAMS inspection resulted in an "excellent" judgement. But we are not standing still and you would be joining the trust at an important stage in our development. We are on the verge of another period of growth, we are reviewing our school improvement offer and our central support structure, and our pupil numbers continue to rise.

In short, we believe our Trust has a bright future and are looking for bright people to help us get there.

Thank you once more for your interest in The Diocese of Coventry Multi Academy Trust and in the position available. I hope that this introductory letter has given you a clear sense of our vision and I hope that this pack gives you a feel for what we need. We look forward to hearing from you and exploring your future with us through our selection process.

'I believe that schools are at the heart of the Church's mission to the nation and play a very important role in the life of their own parishes and communities.

The Diocese is proud of its Church of England Schools which educate about 17,000 children and young people. The headteachers, staff and governors strive to promote the highest quality in everything they do, living and working in the values of Jesus Christ every day. Our schools are a significant part of the Church family of the Diocese. Seeking to build communities of care and understanding, they witness to God's love for each person and reflect God's desire for the world to be a better place for us all to live in.'

Bishop Christopher

Students have a clear understanding of how the outstanding distinctiveness and effectiveness of the school as a Church of England school impacts on their development. Students and staff greatly value the Christian ethos of the school and are committed to its development and flourishing. Students have a mature understanding of the value of daily collective worship and the Student Worship Teams further demonstrate this by their dynamic leadership of worship in other local schools. A creative variety of approaches are used including lively contemporary songs, humour, drama, colourful puppets and resourceful leaders who are spontaneous in responding to questions and answers from the younger children. Effective planning for collective worship ensures all members of the school community can respond in appropriate ways. Students are actively engaged in form worship. They are rightly proud that the school is 'truly a worshipping community' and they are good advocates themselves in ensuring that what this means is understood throughout Rugby and in the wider diocese. **SIAS 2011**
