Our Trust

Thank you for your interest in joining The Diocese of Coventry Multi Academy Trust, we are delighted to provide you with an application pack. It is hoped that the information provided will be of interest and will help you to begin your journey with us.

The Diocese of Coventry Multi Academy Trust was incorporated in 2013 and is one of over 2,700 Multi Academy Trusts in England. Highlighted as a leading diocesan Trust and a model of good practice by the Department for Education in 2016, the trust is now home to nineteen academies spread across the Diocese of Coventry. This scale makes us one of the top 150 largest Multi Academy Trusts in the country.

Our vision, "together, pursuing life in all its fullness", is based on John 10:10 and reflects the Church of England's vision for education. You will see this come to life in all of our academies every day. We offer a vision of human flourishing for all, one that embraces excellence and academic rigour, but sets them in a wider framework. We offer opportunities for children to realise their God given potential and flourish.

Our strategy focuses on five core aims. Among these are the desire to offer an **excellent education** and to be an **employer of choice**. To work with us, you must aspire to be an outstanding colleague, be prepared to go the extra mile and be comfortable with high levels of accountability for the progress of over 4,000 children. You must be willing to share and learn. Above all else, you must like young people and aspire to make them outstanding citizens.

In return, we offer excellent working conditions, first class professional development for ambitious people, genuine career development and opportunities for growth. All of our teachers are offered membership of the Teachers Pensions Scheme and all support staff are offered membership of the Local Government Pension Scheme. In addition, there is a superb package of employment benefits, including access to the Cycle to Work Scheme, membership offers and retail discounts.

We are proud to tell people that an academy has never dropped an Ofsted grade under our management and our most recent SIAMS inspection resulted in an "excellent" judgement. But we are not standing still and you would be joining the trust at an important stage in our development. We are on the verge of another period of growth, we are reviewing our school improvement offer and our central support structure, and our pupil numbers continue to rise.

In short, we believe our Trust has a bright future and are looking for bright people to help us get there.

Thank you once more for your interest in The Diocese of Coventry Multi Academy Trust and in the position available. I hope that this introductory letter has given you a clear sense of our vision and I hope that this pack gives you a feel for what we need. We look forward to hearing from you and exploring your future with us through our selection process.

STRENGTHENING THE COMMUNITY

Schools exist in a distinctive social context, which has a direct impact on what happens inside the school. School leadership should commit to engaging with the internal and external school community to secure equity and entitlement. All staff should collaborate with other schools in order to share expertise and bring positive benefits to their own and other schools. They should work collaboratively at both strategic and operational levels with parents and carers and across multiple agencies for the well-being of all children.

This will include:

Building a school culture and curriculum which takes account of the Church Foundation and the richness and diversity of the school's communities

Creating and promoting positive strategies for challenging racial and other prejudice and dealing with racial harassment.

Ensuring learning experiences for pupils are linked into and integrated with the wider community, the local church and diocesan communities.

Ensuring a range of community-based learning experiences, including building links with local churches and Coventry Diocese.

Collaborating with other agencies in providing for the academic, spiritual, moral, social, emotional and cultural well-being of pupils and their families

Creating and maintaining an effective partnership with parents and carers, (including those who may be described as 'hard to reach', those with learning disabilities and those for whom English is an additional language), to support and improve pupils' achievement and personal development.

Building bridges with the school's diverse communities, seeking opportunities to invite the whole range of parents and carers, community figures (including clergy and church representatives), businesses or other organisations into the school to enhance and enrich the school and its value to the wider community.

Contributing to the development of the education system by, for example, sharing effective practice, working in partnership with other schools and promoting innovative initiatives.

Co-operating and working with relevant agencies to protect children.

SAFEGUARDING CHILDREN AND SAFER RECRUITMENT

This school is committed to safeguarding and promoting the welfare of children and young people as required under the Education Act 2002 and expects all staff and volunteers to share this commitment. The Midday Supervisor plays a role in this within the school and the post is subject to enhanced DBS disclosure, prohibition and disqualification checks.

Burton Green Academy will ensure that:

The policies and procedures relating to safeguarding and safer recruitment and adopted by the governing body are fully implemented and followed by all staff.

Sufficient resources and time are allocated to enable the designated person and other staff to discharge their responsibilities in relation to safeguarding, including taking part in strategy discussions and other inter-agency meetings and contributing to the assessment of children.

All staff and volunteers feel able to raise concerns about poor or unsafe practice in regard to children, and that such concerns are addressed sensitively and effectively in a timely manner in accordance with agreed whistle blowing practices.
