About Coventry City Council

Who we are: At Coventry City Council we are dedicated to making a positive difference to the services we deliver to the diverse citizens of Coventry. The work we do improves people's lives – from helping them into work to providing clean and green places to live, to keeping people safe and protected.

As a Coventry City Council employee, you have our ongoing commitment to your growth and development with opportunities to work across multiple service areas including customer contact, public health prevention and education and skills, adults and children's services and provide support for the most vulnerable.

Our aim is simple – to be globally connected, locally committed, deliver our priorities with fewer resources whilst effectively managing our performance and measuring our progress.

Our Values: We expect everyone who works for us to be committed to our One Coventry values and to share our commitment to becoming a more diverse and inclusive organisation:

About the Service your team will provide

Purpose of the role

To provide a social work service as a member of a joint agency, multi-disciplinary team to people with mental health needs, their family groups or carers, within the community and in-patient mental health facilities.

Main Duties & Key Accountabilities

Core Knowledge

- Provide a professional social work service to people with severe and enduring mental health problems and be accountable to the Team Leader.
- Participate in identifying the appropriate care co-ordinator and in developing effective individual care plans for service users in consultation with others.
- Co-ordinate care plans, and regularly review and evaluate with others the effectiveness of the care plan.
- Attend multi-disciplinary ward, day hospital or community reviews for service users in consultation with others and as agreed with the Team Manager.
- Maintain effective liaison with statutory, voluntary and independent sector agencies on behalf of service users and to assess and co-ordinate a range of specific services in respect of care management to meet their needs.
- Apply a high level of knowledge and skills in social work practice in relation to those with mental health problems to facilitate realistic changes appropriate to the service user.
- Provide a range of Social Work duties including preventative work, and mental health assessment in line with the Department's policy of providing a specialist and comprehensive response to people with mental health needs.
- Attend and participate in regular Team Meetings.
- Participate in relevant duty rota(s) as required.
- Be involved in developing services in conjunction with other professionals and agencies to meet the mental health needs of service users and carers within a multi-racial community.
- Foster professional development by participating in training programmes, courses and seminars in consultation with and the approval of the Team Manager.
- Participate in regular supervision.
- Maintain prompt accurate records and other documentation relating to work with service users in accordance with approved policy and procedures.
- Comply with the appropriate legal statutes and departmental policy affecting social work operations.
- Provide cover for colleagues due to their absence on leave/sickness.
- Undertake the supervision of students where agreed and appropriate.
- Any other duties and responsibilities within the range of the salary grade.
