About Coventry City Council

Who we are: At Coventry City Council we are dedicated to making a positive difference to the services we deliver to the diverse citizens of Coventry. The work we do improves people's lives – from helping them into work to providing clean and green places to live, to keeping people safe and protected.

As a Coventry City Council employee, you have our ongoing commitment to your growth and development with opportunities to work across multiple service areas including customer contact, public health prevention and education and skills, adults and children's services and provide support for the most vulnerable.

Our aim is simple – to be globally connected, locally committed, deliver our priorities with fewer resources whilst effectively managing our performance and measuring our progress.

Our Values: We expect everyone who works for us to be committed to our One Coventry values and to share our commitment to becoming a more diverse and inclusive organisation:

About the Service your team will provide

Purpose of the role

To provide a comprehensive reviewing service for children looked after and children subject to child protection conferences and child protection plans.

To be responsible for chairing statutory reviews for children looked after, children subject to child protection plans, statutory reviews, short break reviews, strategy meetings and associated meetings.

To ensure that the plans for children looked after, children subject to child protection plans, short break reviews and children in need meet the highest standards and are implemented appropriately.

To ensure the best outcomes for children by actively addressing any drift or delay in the planning for them and promoting prompt resolution of those concerns.

To be responsible for the timeliness of reviews – that they are undertaken within the agreed statutory and procedural timescales.

To write reports and ensure that accurate records are kept in relation to the outcomes of reviews.

To take an active lead in the process of planning for children and young people in accordance with relevant legislation, guidelines, procedures and regulations and associated research and best practice.

To take a lead in inter-agency working with other agencies to promote services to safeguard children in the city.
