

Whoberley Hall Primary School

Deputy Headteacher

Required for September 2023

Welcome

Whoberley Hall school is situated close to Allesley, Chapelfields and Earlsdon.

We are a small community primary school and nursery with a family ethos at its heart.

We believe in showing our pupils unconditional positive regard at all times. Our aim is to foster self-esteem and encourage our pupils to forge forwards with confidence, aiming high.

We are sincerely committed to the idea that if you believe, then you can achieve anything.

We have extremely high expectations of our children in terms of pupil behaviour and the progress that pupils make with their learning. We recognise that everyone has a skill or talent that they can be proud of.

Although Whoberley Hall Primary School is based within an urban area, we are very lucky to have extensive grounds. We have an allotment, pond, amphitheatre, football pitch, netball courts and a recently established Forest School area. Our exciting curriculum is delivered in a variety of ways, including utilising these outdoor areas.

Pupils and staff are so very proud of our school. We genuinely believe that at Whoberley Hall we provide an excellent, rounded education for our pupils. This in turn equips pupils with skills and knowledge for life.

Kindest Regards

Mrs L. Speedy
(Headteacher)

OUR SCHOOL VALUES

Compassion
Courage
Determination
Inventiveness
Respect
