Our mission statement "Knowledge through the light of faith" is at the heart of all we do and we endeavor to make known to every student that they are made for greatness because they are a child of God and are uniquely created and loved by God.

Every student is called to live out the gospel values by loving God, others and themselves and by being prepared to always do their best and be the best person they can be.

We insist on the highest standards of behaviour, uniform, attitude to learning and respect for one another and the environment. By providing a traditional, yet broad and balanced curriculum for all our students regardless of ability and background, we are able to recognise and develop individual talents and interests including academic, creative and sporting provision that is appropriate for every child from our special needs students to our Oxbridge applicants. We also have a varied extra-curricular activities

programme that includes a wide variety of clubs as well as day and residential visits to enhance each student's learning experience.

We are blessed to have an amazing staff who work tirelessly for our students so that they are given every opportunity to fulfil their true potential and we pride ourselves on excellent relationships, where we work together to form a happy, loving and caring community, based on clear boundaries, accepted values and high expectations.

We are very proud of our successes and our GCSE results in 2018 placed us as one of the highest performing secondary schools in both the Diocese and Coventry Local Authority. We are determined to continue to improve to meet the needs of our students in an ever-changing world and we are confident that we will achieve our vision, which is simple: to become an outstanding catholic school in all we do.

At Cardinal Newman we want for your child exactly what you want as parents – the best and nothing but the best.

We focus on rounded development: spiritually, morally, socially, physically and academically. Every member of our school community is valued and their sense of belonging is paramount. Whilst great emphasis is placed on each student's academic achievement, we also foster traditional values. Our extensive grounds include a Forest School site which is used to develop a range of skills with pupils, a Thrive nurture room, a sports Muga and counselling facilities.

We aim to provide a broad and balanced curriculum that will both engage and educate our pupils shaping them into caring future disciples and knowledgeable, responsible citizens.

Achieving together in faith

St Elizabeth's Catholic Primary Academy

St Elizabeth's is truly a special place, a happy place where staff, parents, governors and children work in harmony together. The school has developed an individual identity since its creation over 100 years ago which combines the best of traditional educational values with a modern vibrant vision.

At St Elizabeth's we pride ourselves on celebrating the cultural diversity of our locality. We are a school community in which all children are welcomed and valued as unique members of God's family, a family of different faiths and backgrounds living, loving and learning together joyfully following in the footsteps of Jesus Christ.

Central to our philosophy are the values and virtues Christ taught us through the Gospels, these values run through every aspect of school life like a golden thread, intertwined and bound throughout all of our relationships and the experiences we provide for our children. Our reliance on these values ensures the spiritual formation of every member of our school family.

We aim to provide a rich and diverse curriculum that develops our children morally and socially as well as academically. Children leave St Elizabeth's as faithful, aspirational, responsible and resilient young people ready to make positive contributions to the wider communities in which they live.

At St Elizabeth's we take enormous pride in knowing all of our children and families very well. We are fully committed to ensuring that each child is offered the finest start to their education in a stimulating, caring and loving environment, an environment which influences a lifelong love of learning and one in which our children thrive and live life to the full.

Achieving together in faith

St John Vianney Catholic Primary Academy

Welcome to St John Vianney where Christ is at the centre of everything we do. We have one school rule which is:

Love one another as I have loved you

We strive to promote the values of our Christian faith throughout our daily life. We provide a religious syllabus, which develops our children's knowledge and understanding of our faith. However, more important to this school are those values, which we try to relate to all the aspects of our life within the faith community of St John Vianney Parish.

St John Vianney is a happy and caring school where every child is known and loved. We seek to challenge and support all our children and make them excellent citizens of the future, knowing how important it is to do their best and care for those around them.

We are conscious of the necessity to provide our pupils with a broad and balanced curriculum and constantly review and evaluate the achievements of the school. Our curriculum is exciting and engaging aiming to bring the humanities alive through first- hand experience wherever possible. We aim to provide both high academic and non- academic standards, a good faith basis and involvement in the wider community. Moreover, developing the whole child by enabling them to acquire knowledge, appreciate their creative abilities and master the challenges of physical education and sport.

St John Vianney Catholic Primary Academy strives to achieve its aims through a strong partnership between governors, staff, children, parents and Parish. Most of our governors are parents or past parents and members of our Church community. We believe that this improves the level of co-operation and the sense of shared commitment and responsibility. We believe that we can only achieve the best for your child by close co-operation between home and school. Without the involvement of parents, our task is that much more difficult and less enjoyable. We hope that parents will take a

close interest in what their children are doing in school and will encourage learning and its importance in later life.

It is our view that Primary School years lay the foundations for a lifetime of learning and work hard to cultivate the fundamental partnership between Home and School by welcoming parents to become involved in their child's education.

Achieving together in faith

St Thomas More Catholic Primary Academy

St Thomas More's motto is "Learn and Grow as God's Holy People" and this underpins everything we do at the school. We believe that every child should be pushed and supported to achieve their God-given potential and that it is our responsibility to get the best out of all of our students – academically, socially and spiritually. We are a very diverse, multi-ethnic community with a highly inclusive ethos.

Children are happy to come to school here and they thrive on the nurture and support offered. We are situated in a suburban residential area of south Coventry, a 30-minute walk from the city centre, but we draw our children from a much wider catchment area. The school is housed in a modern building which opened in September 2014 and we have very generous grounds which include a large field, allotment, forest school, a pond and a chicken pen.

We are committed to academic excellence and are always keen to innovate, using research-based methods to develop and improve our practices further. We keep our curriculum under constant review so that it is appealing and relevant to our current situation and we place great emphasis on the importance of a consistent approach from Nursery to Year six. Our children's learning experience is very hands-on: an example of this is our maths mastery programme which focuses on underlying mathematical concepts and number sense through the use of manipulatives all the way from Reception to Year 6. We see it as our duty to produce well-mannered, respectful and motivated young people and our behaviour and discipline policies are reflective of this. Children leave St Thomas More with all the qualities they need to make a positive contribution to society. We have excellent relationships with

our local parish and the children make good use of the church. Our vocation to Catholic life is evident across the curriculum and throughout the school. Our families are very supportive of our ethos and work well with school leaders to ensure positive outcomes for all. Many parents comment that St Thomas More is like an extension of the family.

The school received a highly positive Ofsted inspection in January 2018 and we aim to build on this as we continue to improve and push ourselves to be the best we can possibly be.

Why work in Coventry?

Coventry is an innovative city that boasts two cathedrals, old and new. It combines medieval architecture with vibrant regeneration which is rich in bars, restaurants and culture. Coventry has recently been awarded the City of Culture for 2021. You will find both the Belgrade theatre and the Warwick Arts centre on the doorstep, along with open green spaces such as the War Memorial Park and Coombe Abbey.

The Ricoh Arena hosts both football and rugby, along with music concerts. Road and rail links are exceptional. Birmingham and Leamington Spa are under 15 minutes by train and London just over an hour. Stratford upon Avon, Warwick and Solihull are also nearby. From Coventry it is only one rail stop to Birmingham International Airport and the National Exhibition Centre. In December, Birmingham was named host city for the 2022 Commonwealth Games, and local town, Leamington Spa, was recently named as one of the best places to live in the Midlands in 2017 by the Sunday Times. The city hosts a variety of annual events such as the Coventry Half Marathon, the SkyRide and the Godiva Festival, which is the biggest free family festival in the UK.

Coventry also has two universities, Coventry University which was awarded 'University of the Year for *Student Experience*' by The Times in 2014 and the University of Warwick, which is in the top 10 on the league tables. Both universities have links with three of the city's biggest employers, Jaguar Land Rover, the NHS Trust and Coventry City Council.
