Ofsted

Good  
Provider

An Ofsted 'Good' School for students 11 to 18 years

A young boy in a school uniform is looking through a microscope. He is wearing a dark blue suit jacket, a white shirt, and a yellow and blue striped tie. The microscope is a white and black compound microscope with a black base and a white body. The boy is holding the eyepiece with his right hand. The background is a green wall.

## Information about our school

Ernesford Grange Community Academy is a thriving 11-18 school which demands the very best from its students and staff.

In May 2019 we achieved our OFSTED Good status and we are continuing to aspire to excellence for all within our school community.

<http://blog.egacademy.org.uk/>

## Excellence for All

Our vision is to achieve excellence for all with a mission to work together to inspire a learning culture of high expectations with no excuses, where every member of our school community can be proud to belong to Ernesford Grange Community Academy and all students will achieve outcomes which will enable them to succeed in modern society.

## Teaching and Learning

Teaching and Learning is at the heart of everything we do alongside the belief that every child can achieve no matter the barriers.

We have a very firm no excuses culture and have the highest expectations of our young people and our staff. Ernesford is a very collaborative, supportive and inclusive school and it is our wonderful staff who drive the culture of belief in the young people and what they can achieve.

Staff CPD is a key component of our continued improvement in high quality teaching and learning and we invest heavily in this aspect of school life.

## The Sidney Stringer Multi Academy Trust

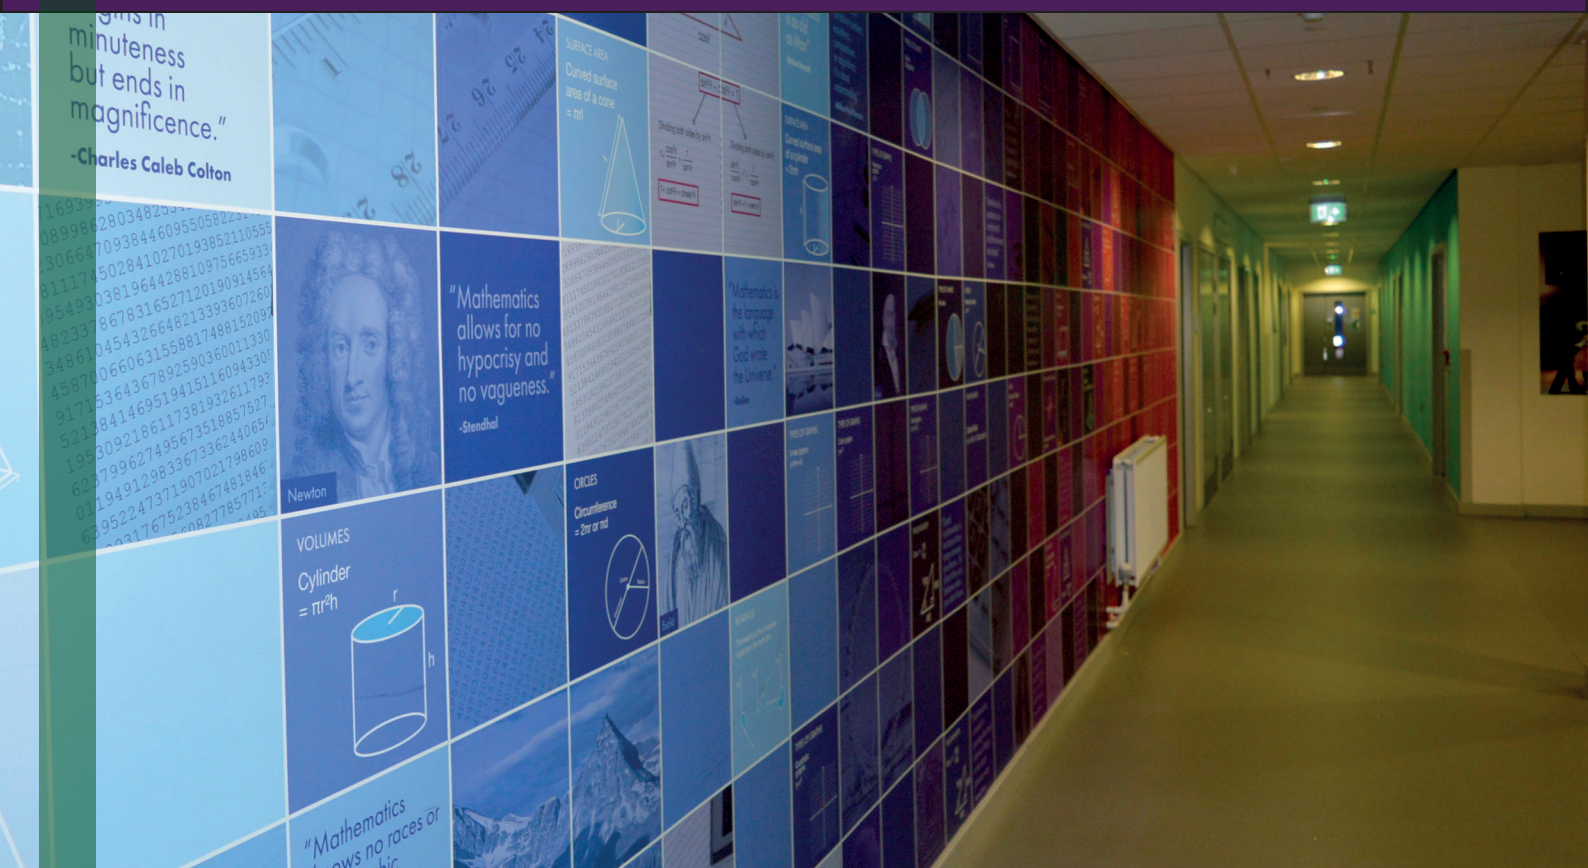

The SSMAT currently consists of 5 schools; Ernesford Grange Community Academy which is co-located with Riverbank Academy (Special school), Radford Primary, Sidney Stringer Academy and Sidney Stringer Primary Academy. We have some posts working across the MAT as well as a number of MAT training days and MAT social events.

# Why work at Sidney Stringer Multi Academy Trust?

There are many benefits for staff working at Ernesford Grange

- 100% attendance - 1 day off following year
- Staff Development- new leadership challenge programme and subsidies for Masters' degree
- Chromebooks for teaching staff and class sets for lessons
  - Social committee with subsidised events
- Revision sessions paid for (Subject to minimum numbers)
  - Occupational health and counselling support
- £50 a day for taking trips at weekends/ Holidays
  - Cycle to Work Scheme
  - Childcare voucher Scheme
  - Free parking
  - Free Flu jabs
  - Long service awards
- Potential to work across more than one school/phase if appropriate

# The Mathematics Faculty

Ernesford Grange Community Academy is seeking to appoint an excellent teacher of mathematics with a relentless drive to pursue the best possible outcomes for our wonderful students at all Key Stages.

We are looking for a confident classroom practitioner who has;

- Integrity, drive and commitment
- Excellent subject knowledge
- Ambition to develop/adapt their teaching and learning practices to ignite a passion for mathematics amongst our young people
- A strong classroom presence to achieve high levels of student engagement and progress

You will be working as part of a well-established mathematics team determined to achieve success for all of our students at a very exciting time in a school that has recently been transformed from Special Measures to Good (OFSTED, May 2019). The Maths faculty are proud to demonstrate a positive progress score at both GCSE and A Level and are continually seeking ways to build on this success.

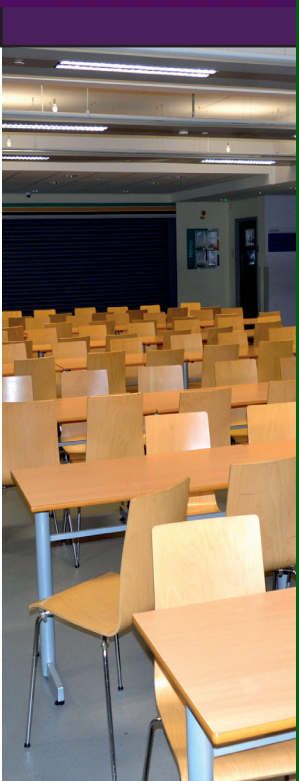

Students in Key Stage 3 follow a Scheme of Work that develops deep knowledge and understanding of key concepts with a focus on problem solving. At KS4 our focus is on preparing students to be confident in their mathematics to achieve the best possible outcomes. In addition to the GCSE mathematics course, we offer GCSE Statistics to selected students. We also offer A-level Mathematics at post-16.

Students are encouraged to attend our after-school classes which include extension and revision sessions. All homework is set using Hegarty Maths.

The Faculty consists of eight specialist teachers, a mathematics HLTA and two trainee teachers. There is strong support from the School Leadership team and a comprehensive and personalised CPD programme. The mathematics staff work area is the 'hub' for sharing excellent resources and changing practice and all team members are more than willing to go the extra mile to support each other.

The mathematics classrooms are resourced with interactive whiteboards (supporting ActivInspire software). The mathematics department is an excellent and supporting teaching and learning environment.

# Teacher of Maths (MPS), suitable for an NQT

Required for September 2020

Ernesford Grange Community Academy is seeking to appoint an excellent teacher of mathematics with a relentless drive to pursue the best possible outcomes for our students at all Key Stages.

We are looking for a confident classroom practitioner who has;

- Integrity, drive and commitment
- Excellent subject knowledge
- Ambition to develop/adapt their teaching and learning practices to ignite a passion for mathematics amongst our young people
- A strong classroom presence to achieve high levels of student engagement and progress

You will be working as part of a well-established mathematics team determined to achieve success for all of our students at a very exciting time in a school that has recently been transformed from Special Measures to Good (OFSTED, May 2019). The Maths faculty are proud to demonstrate a positive progress score at both GCSE and A Level and are continually seeking ways to build on this success.

In the current climate, we appreciate visits to the school are not possible therefore if you would like further information or to discuss the post in more detail then please contact:

Liene Braksa, Head of Maths – [lbraksa@egacademy.org.uk](mailto:lbraksa@egacademy.org.uk)
