JOB DESCRIPTION

Post Title: Senior Science Technician

Hours: 3 7hours per week, term time only

Job Purpose:

Primarily to support teachers by providing technician support, within the Science Faculty. To be responsible, individually or as part of a team, under the direction of science teachers to provide support within the Science Department.

Description of Duties and Responsibilities:

- 1 Preparation and setting up of class experiments, demonstrations and equipment including new technology applications. Ensuring, by liaison with appropriate members of teaching staff, that adequate resources and support are available for demonstrations, experiments and pupil assessments.
- 2 Clearing and putting away experiment and demonstration equipment.
- 3 Preparation of specimens, reagents and solutions for use during classes and maintenance of teaching aids, worksheets, tests and equipment records.
- 4 General maintenance of laboratories and ancillary rooms in a clean and tidy condition, including the responsibility for ensuring that laboratories are left in a suitable state to facilitate general cleaning by cleaners (alerting key stage leaders and Head of Science of any problems with these rooms).
- 5 Assist in the classroom with pupils and demonstrations and assist with development work as required. Ensure that teaching staff are provided with the appropriate support and are familiar with the operating procedures and materials/equipment in use.
- 6 Undertake minor repairs and maintenance of equipment as necessary.
- 7 Processing orders for supplies, maintenance of stock records and general administrative/ clerical tasks, e.g. filing, general office administration, issuing/maintenance of books.
- 8 Where appropriate shopping for the purchase of necessary items for experiments (eg foodstuffs).
- 9 Assist with safe handling, storage and transportation of chemicals in accordance with Health and Safety procedures guidelines.
- 10 Take responsibility for own professional development, continually keep updated about new initiatives in Science, and contribute to the School as a learning organisation.

- 11 Share expertise and skills with others
- 12 Take part in training as required including Health and Safety issues.
- 13 Assist in the development and use of IT related issues, both hardware and software within the department.
- 14 Undertake work in accordance with any rules and regulations relating to safeguarding and promoting the welfare of children
