

COGNITION AND LEARNING LEAD CANDIDATE PACK

GRADE 5 - Dependent on experience

Sidney Stringer
Multi Academy Trust

Dear Candidate

Welcome to Ernesford Grange Community Academy and thank you for showing an interest in joining our team. This academy is a thriving 11-18 school, with fantastic facilities and a happy, committed team of colleagues whose sole aim is to bring the very best out of our students and enjoying their work along the way.

We are part of the Sidney Stringer Academy Multi Academy Trust, which consists of five schools; Sidney Stringer Academy, Ernesford Grange Community Academy, Riverbank Academy (Special School), Radford Primary Academy and Sidney Stringer Primary School.

Teaching and Learning is at the heart of everything we do alongside the belief that every child can achieve no matter the barriers. We have a very firm no excuses culture and have the highest expectations of our young people and our staff.

Ernesford is a very collaborative, supportive and inclusive school and it is our wonderful staff who drive the culture of belief in the young people and what they can achieve.

Developing our staff to be the best they can be in whatever field they choose is incredibly important and a variety of bespoke CPD opportunities is a key component of our continued improvement in high quality teaching and learning as we invest heavily in this aspect of school life. This year we are launching a new, vastly improved CPD package offering a variety of pathways alongside investment in NPQs, Masters accreditations and other external professional development opportunities. When you join the Ernesford team our mission is to keep challenging you to become even better than you ever imagined you could be!

Why work at Ernesford Grange Community Academy?

Why should you commit your future to the children of Ernesford Grange Community Academy?

I asked some of our Ernesford colleagues what it was that made them love working here quite so much and this is just a snippet of what they said:

- We are a genuine family where the staff care just as much about each other as they do about our wonderful students.
- SLT actually trust staff to work and do not micro manage everything.
- It feels like the responsibilities during the tough times and decisions are shared to make it a little easier on everyone.
- We have a dedicated Director of Staff Well-Being who genuinely wants to make sure we are all happy and enjoying our time at school.
- SLT listen to you and actually take on board suggestions on how to keep improving.
- We care about others. Really care. Not the care that you do because you have to, or because you feel obliged to.
- Engaging and challenging schemes of work in place which eases workload as they require differentiating according to group need rather than re-creating. These are reviewed constantly so if we need to think of something new we share the workload as a team.

Cognition and Learning Lead

If you choose to work at Ernesford, you will be joining a dedicated group of professionals that are passionate about reducing barriers to learning for all students. We are seeking to appoint an enthusiastic, forward thinking individual, who will:

- Demonstrate their passion and drive to ensure students of all abilities are able to thrive.
